Imam at the Islamic Center of RI, Providence 1/3/25, just 2-days after the jihad carnage in New Orleans 1/1/25, called for solidarity of the Muslims, contempt for non-Muslims, & fighting non-Muslims

Celebrated Shari'a jurist, Taqi Usmani, Islamabad, 4/10/25, calling for a global jihad against Israel: "What is the use of the armies of Muslim countries if they do not engage in jihad?"

The Islamic Center of Rhode Island as a Case Study of U.S. & Global Trends

Why I studied the mosque:

- Query at the end of a 12/24 lecture on “Antisemitism by the Numbers” I delivered in Barrington, RI**
- Alleged “Islamophobic shooting” outside the mosque 11/17/23**

What study of the mosque’s sermons post 10/7/23 revealed

What investigation of the alleged “Islamophobic shooting” outside the mosque 11/17/23 revealed

Two fundamental questions

(1) What is a mosque?

(2) What is the ancient → modern classical Islamic doctrinal understanding of “Islamophobia”?

What is a mosque?

Mosque, known as *masjid* in Arabic from the root “to prostrate,” consistent with the overarching purpose of worship in Islam, which is to be “a slave of Allah.”

We are told Muhammad, Islam’s prophet, built a mosque on his arrival in Medina prior even to building his own house.

The mosque has very broad socio-religious & socio-political functions:

—Where Sharia, Islamic Law unfolded

—Where the superiority of Muslims & inferiority of non-Muslims was proclaimed

—Where jihad campaigns were declared & launched, initially in Arabia, & then beyond, across Africa, Asia, & Europe, dispatching Muslim armies to conquer much of the 7th century known world

This is the pattern Muhammad established in his first mosque that modern mosques must emulate

What is the ancient → modern classical Islamic doctrinal understanding of “Islamophobia”?

In the Qur'an's 3rd (3:151) & 8th (8:12; 8:60) suras or chapters, especially, Muslims are told to “**strike terror in the heart of the infidel,**” to submit them.

Muhammad in the traditions (hadith) states, “**I have been made victorious through terror.**”

Islam's most important jurists (for e.g., Ibn Khaldun, d. 1403) incorporated this idea permanently into the doctrine of jihad warfare that persists to this day.

—See for example the 1979 “Qur'anic Concept of War,” written by a Pakistani general & endorsed by then Pakistani military dictator Zia ul-Haq, and A.K. Brohi who served as Pakistan's Minister of Law and Justice

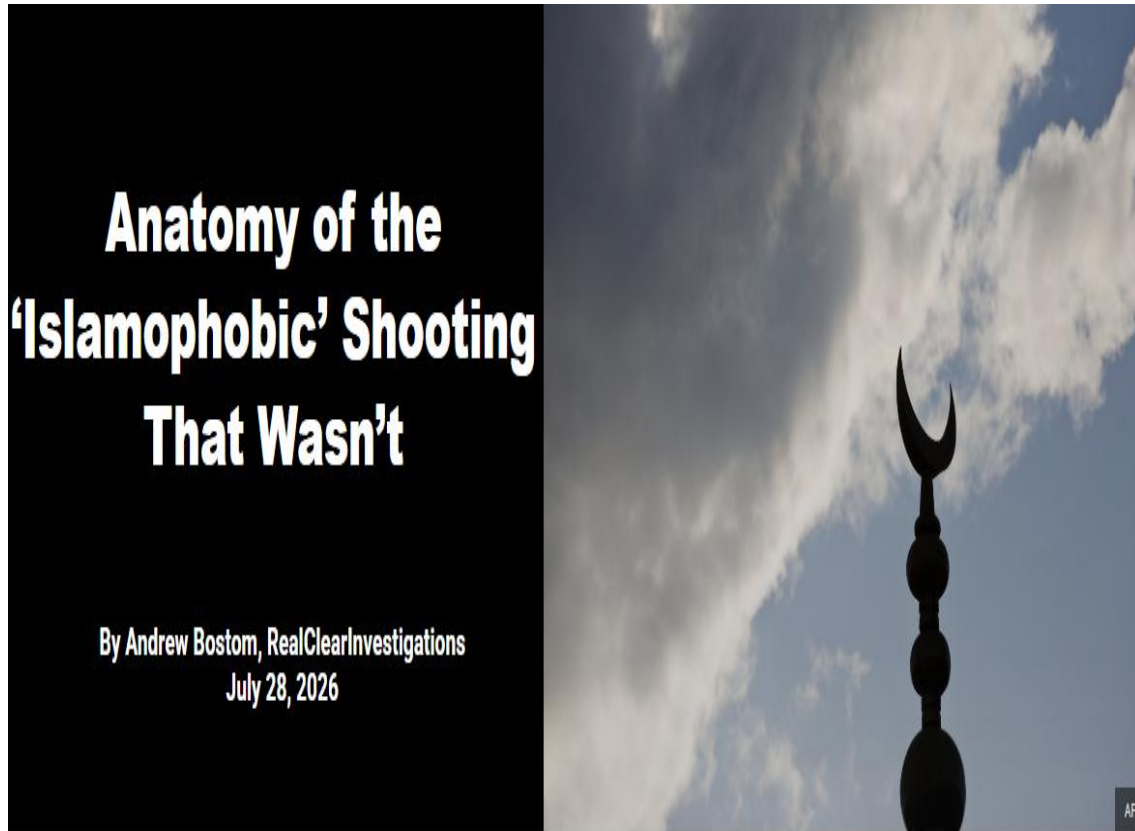

**The current “usage”—exploitation— of “Islamophobia” by Western so-called “Muslim civil rights” organizations like the Hamas-linked Council on American Relations (CAIR) is by and large a cynical recasting of the aggressive classical Islamic understanding of the term*

—For the period August 15, 2021 to August 15, 2026 in the U.S., the FBI recorded ~60,000 bias-related incidents, of which 1,163, < 2%, were classified as anti-Muslim.

(8,236 or ~14%, ~7-fold, were anti-Jewish)

Key Findings About the Islamic Center of Rhode Island's 11/17/23 "Islamophobic Shooting" Incident, & Post 10/7/23 Sermons

- The glancing, superficial buttocks wound of Mustafa Ramos-- "the shot in the tuches heard round the world"-- was NOT "Islamophobic" & both he & the likely shooter Nasir Dupont, were Muslims & hardened criminals!
- **Mirroring U.S. & global trends, the mosque preached jihadism, Islamic Jew-hatred, & anti-Christian hostility cynically exploiting the "Islamophobic shooting" hoax to give it impunity from criticism for the contents of its sermons**
- **The mosque, CAIR, & the local, national, & international media collaborated to gin up the sham "Islamophobic" shooting narrative, as did local politicians, & religious leaders, including (of course!) the Jewish Alliance of Greater RI, & the RI Board of Rabbis, but IGNORED the jihad hatred preached at the mosque**
- **There has been NO mea culpa from any of these parties even after both the *Real Clear Investigations*, & *NY Post* stories corrected the narrative. (The mosque has purged its Facebook archive of sermons & no longer livestreams them at Facebook)**

Jihadism preached at The Islamic Center of Rhode Island (ICRI), & its U.S. mosque context

On Jan. 3, 2025, **just two days after** an armed Muslim man with an ISIS flag in his car, and his Qur'an at home highlighting Qur'an 9:111, a jihad martyrdom verse, killed 14 people & injured 57 others on Bourbon Street in [New Orleans](#), the ICRI mosque's Imam offered no condolences to the New Orleans victims' families, & [instructed](#) his followers to treat non-Muslims harshly (citing Qur'an [48:29](#)), [concluding](#) with an Arabic supplication to "fight the disbelievers and polytheists," consistent with the [jihad war proclamations](#) of the 9th Quranic sura ([9:5](#), [9:29](#), [9:73](#), [9:111](#), etc.).

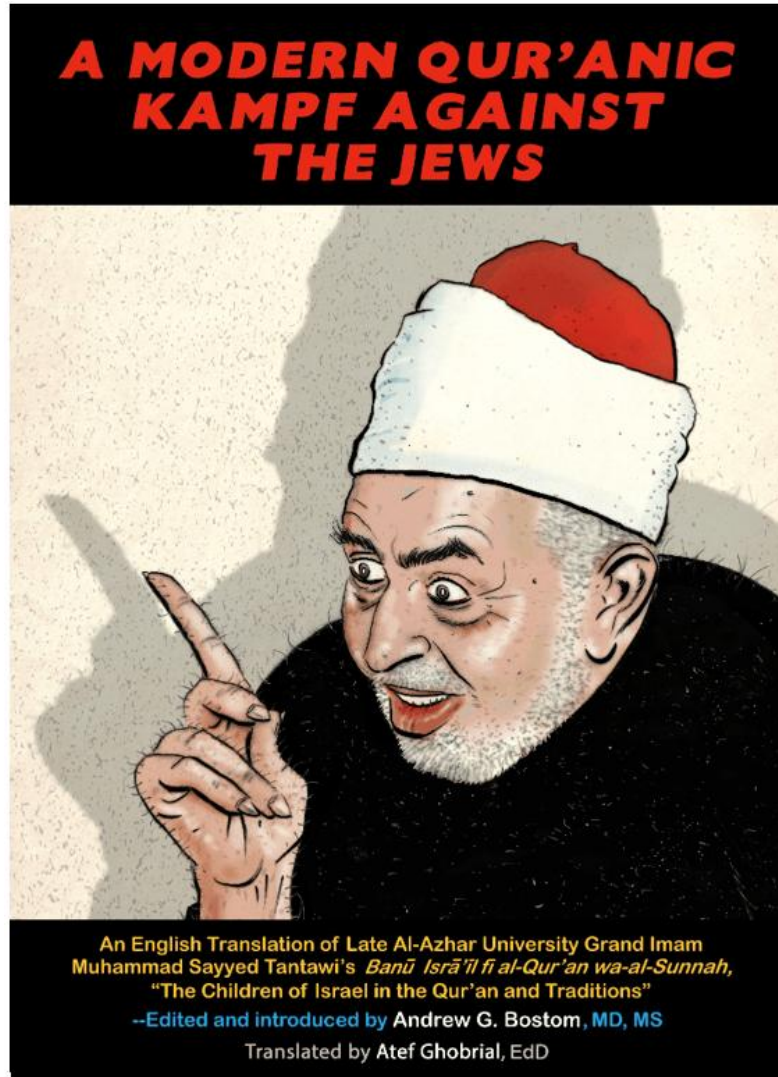

On Friday, May 30, 2025, the Islamic Center's [sermon](#), ostensibly about Islam's Hajj pilgrimage to Muslim-only Mecca, evolved into a celebration of [jihad conquest](#), specifically, the "cleansing" of Mecca's pagans (in 630 C.E.), and not long afterward, the attack on Syria's and Iraq's Christians (634 C.E.), all given Islamic religious sanction from the Qur'an's 9th sura, a series of timeless war proclamations.

Overall U.S. mosque context

A landmark study whose results were [published](#) in two academic journals in 2011, "[Sharia and Violence in American Mosques](#)," evaluated the associations between Sharia-adherence, the presence of violence-sanctioning materials at a mosque, and the advocacy of jihadism by the mosque's leadership, in a nationally representative, random statistical sample of 100 U.S. mosques. **Eighty-one percent of these representative U.S. mosques were deemed as moderately (30%) to highly (51%) supportive of promulgating jihad violence to impose Sharia. Additionally, only 4.7% of Muslim worshippers attended mosques where jihadist materials were not provided because Sharia-compliant mosques promoting jihad were the most heavily attended.**

Authoritative Global Islamic Preaching of Jihadism (I):

Late Al-Azhar Grand Imam & Major Qur'anic Commentator, Muhammad Sayyed Tantawi (d. 2010)

“Jihad in the path of Allah is a virtue that binds Muslims at all times, and it is an obligation on everyone who is able to carry it out, and tens of Qur'anic verses narrate the virtue of Jihad in the path of Allah, as well as tens of prophetic Hadiths [traditions]...It is obligatory for the entire [Islamic] nation [umma]... to support them [Palestinian Muslims] in their Jihad.”

—Muhammad Sayed Tantawi, 10/10/2000

Tantawi sanctioned Islam's traditional open-ended calls for jihad against pagans, Jews, Christians, and Zoroastrians, in his major Qur'anic commentary “*The intermediate [balanced] interpretation of the Qur'an*,” ~1986-1991.

—See for examples his glosses on Qur'an 9:5 and 9:29

Authoritative Global Islamic Preaching of Jihadism (II): Three Proclamations Calling For a Global Jihad Against Israel Following 10/7/23 (1) Al-Azhar University, (2) Authoritative Pakistani Clerics/Jurists, & (3) The International Union of Muslim Scholars

(1) On Oct 7, 2023, Al-Azhar celebrated the brutal jihad carnage of Hamas as “*the resistance efforts of the proud Palestinian people.*” By Oct 19, 2023, Al-Azhar issued a formal “fatwa,” or religious edict, declaring that “Zionist settlers,” i.e., *ALL* Israeli Jews, were legitimate targets of jihad, and referred to Israel as a “a cancer in the heart of the Islamic Arab nation.” <https://www.memri.org/reports/egypts-al-azhar-salutes-hamas-terror-attack-which-over-600-israelis-were-killed-over-100>; : <https://andrewbostom.net/2023/11/al-azhars-ongoing-75-year-annihilationist-jihad-against-the-jews-of-israel/>;

(2) Mufti Taqi Usmani,* leading Pakistani authority on Islamic Law – “has called for a complete boycott of Israel and its supporters, declaring jihad to be an obligatory duty for all Muslim governments in the face of Israel's continued aggression against Palestine... ‘What is the use of the armies of Muslim countries if they do not engage in jihad?’ he asked.—April 10, 2025 (***Usmani trained a local antisemitic imam in RI who runs our largest mosque**) <https://www.samaa.tv/2087331585-pakistan-s-grand-mufti-urges-muslim-govts-to-wage-jihad-against-israel>

(3) “We declare to all Muslims and their states the obligation of jihad against the Zionist entity and all those who participate with it on the occupied land in the extermination of our people in Gaza...[...] The obligation of jihad against the occupation in Palestine applies to every able Muslim in the Islamic world.” Allah Almighty says: ‘And what is [the matter] with you that you do not fight in the cause of Allah and [for] the oppressed among men, women and children?’ [Qur’an 3:75]”—April 9, 2025, International Union of Muslim Scholars (established by al-Qaradawi & affiliated with the Muslim Brotherhood) <https://web.archive.org/web/20250629233947/http://www.iumsonline.org/ar/ContentDetails.aspx?ID=38808>

Authoritative Global Islamic Preaching of Jihadism (III): Much Ballyhooed “Shiite Quietist” Ayatollah Sistani Calling For Jihad To Protect Iran

“Iraqi Shiites’ top cleric **Ayatollah Ali al-Sistani** has issued a religious edict—fatwa—**calling for people’s assistance to Iran** amid the ongoing war in the region, Middle East Online reports. **Sistani described such assistance as a form of ‘collective jihad’**—a religious duty that becomes obligatory for society if forces are insufficient to protect Muslims or Islamic holy sites.”

“In a better world, Sistani would have a Nobel Peace Prize.”

Sanctioning of Jihad Has Begotten Caliphate Dreams & “Sharia Thirst”

Polling data released (April 24, 2007) from a rigorously conducted face-to-face University of Maryland/WorldPublicOpinion.org interview survey of 4384 Muslims performed between December 9, 2006 & February 15, 2007---1000 Moroccans, 1000 Egyptians, 1243 Pakistanis, & 1141 Indonesians, evaluated these desires:

From Jihad Doctrine/Declaration to Modern Action (I): “Islam’s Bloody Borders,” Before 9/11/2001

Samuel Huntington, 1996, from *The Clash of Civilizations*:

“The overwhelming majority of fault line conflicts,...have taken place along the boundary looping across Eurasia and Africa that separates Muslims from non-Muslims....Intense antagonisms and violent conflicts are pervasive between local Muslim and non-Muslim peoples....”

*“Muslims make up about one-fifth of the world’s population, **but in the 1990s** they have been far more involved in inter-group violence than the people of any other civilization. The evidence is overwhelming. **There were, in short, three times as many inter-civilizational conflicts involving Muslims as there were between non-Muslim civilizations...**”*

*“**Muslim states also have had a high propensity to resort to violence in international crises**, employing it to resolve 76 crises out of a total of 142 in which they were involved between 1928 and 1979...When they did use violence, Muslim states used high-intensity violence, resorting to full-scale war in 41 percent of the cases where violence was used and engaging in major clashes in another 39 percent of the cases.”*

Huntington’s Conclusion:

*“**The underlying problem for the West is not Islamic fundamentalism. It is Islam**, a different civilization whose people are convinced of the superiority of their culture.”*

Hamas Murder Victims

Jew-Hating (and Anti-Christian) Sermons Preached at The Islamic Center of RI, After 10/7/23

On Dec. 22, 2023, three days before Christmas, it was [preached](#) that the Muslim Jesus (“Isa”) will destroy **Christianity**, and in the same sermon, the imam [invoked](#) Qur’an (17:4-10 and [2:61/3:112](#)) while accusing Jews of “genocide in Gaza,” and reminding Muslims that Jews are “corrupters” to be “punished” and “prophet killers.”

On [Jan. 12, 2024](#), the imam, noted Qur’an [1:7](#) (which pious Muslims repeat [17-times daily](#)) means it is the Jews who have “incurred Allah’s anger,” and observed they are “cursed” (Qur’an [5:78](#)), while again **accusing “prophet killing” Jews – not the Israel Defense Forces, or Israel – of committing “genocide in Gaza,” because of their inveterately evil Qur’anic nature.**

On 5/30/25 the mosque’s imam quoted Qur’an [3:67](#) & [3:68](#) to teach that Judaism’s patriarch was a Muslim: “*Ibrahim [Abraham] is not a Christian or a Jew. He is a Muslim.*” [Q 3:67] & that Muslims “*have the greatest claim to Ibrahim [Q 3:68].*” The imam [segued](#) from that traditional Qur’anic supremacism into a derision of Christianity, and an ugly, contemporary blood libel against Jews, and Judaism: “*One group, the Christians, can’t articulate what they really believe, what their tawhid (monotheism) means. **And the other group (the Jews) has reduced their religion to an ethnic identity that they use to justify a slaughter of innocent people.***”

Summary Evaluation of Hundreds of U.S. Mosque Sermons* After 10/7/23

Mansour Al-Hadj was the observant Muslim Director of the Middle East Research Institute Project for Reform in the Arab and Muslim World. After studying “hundreds of Friday mosque sermons” across the U.S. after October 7, 2023, he acknowledged,

*...“almost all the sermons seemed to share similar themes in their framing of the attack, amplifying a single narrative which justifies Hamas's attack as a legitimate act that is based on the command of Allah and the teachings of the prophet Muhammad. Therefore, they did not condemn or hold Hamas responsible for killing and abducting civilians, including children and the elderly, and sexually assaulting women. They did not condemn Hamas for starting a war, miscalculating Israel's response, using the Gazans as human shields, or causing the death of thousands of Palestinians and the destruction of large areas of Gaza. Instead, in their sermons, **these preachers and imams focused on highlighting the similarities between Hamas' attack and the wars fought by the prophet and his companions, demonizing Israel, narrating historical antisemitic stories attributed to the prophet Muhammad, founder of Islam, such as the hadith about the stones and the Gharqad Tree, and citing verses from the Qur'an that characterized Jews as corrupt, treacherous, untrustworthy, and the killers of prophets.**”*

(*Preaching Islamic jihad against Jews/Israel in U.S. mosques was already evident in 1975, promulgated by Said Ramadan, renowned Islamic scholar & Muslim Brother, ally of Hajj Amin el-Husseini, & former Eisenhower Admin “partner against Communism”! ; *Washington Post*, Aug. 24, 1996

Tantawi's Authoritative Glosses on Some of the Major Antisemitic Verses in the Qur'an

Tantawi from "The Children of Israel in the Qur'an & Traditions," 1968:

"The reader of the Noble Qur'an will clearly see that it has depicted many of the inappropriate conducts, despicable manners and cunning and crooked behaviors that the Children of Israel indulged in. It has branded them with disbelief (Q4:46), ingratitude (Q 45:16-17), egotism (Q 2:87, 2:41), cowardice (Q 2:96, 59:13), deceit (Q 2:74), rebellion (Q 5:24, 5:64), transgression (Q 5:62), cruelty (Q 2:74), deviance (2:135), hastening to transgression and aggression (Q 5:70-71), unjustly consuming people's wealth (4:161), and many more of the vices that are recorded in the Noble Qur'an. They therefore earned Allah's displeasure, were stripped of Allah's mercy and compassion, and they were stricken with disgrace and misery (Q 2:61, 3:112). **These vices that the Noble Qur'an recorded can be clearly seen anywhere and throughout the ages. The passage of time has only made these vices more ingrained and rooted in them.**"

Tantawi's gloss on the central antisemitic verse Qur'an 5:82 from his authoritative full Qur'anic commentary, 1986-91:

"The Almighty's (Allah's) words, 'You will surely find the most intense of the people in animosity toward the believers to be the Jews'...**is a statement that serves to reinforce verses that documented the many despicable characteristics, and crooked and cunning ways of the Jews.** Their enmity is rooted in envy, spite, stubbornness, and pride...the Apostle (Muhammad) said, 'Whenever a Jew is alone with a Muslim, he (the Jew) will strive to kill him (the Muslim).'"

BREAKING: Michigan Senate Candidate Abdul El-Sayed to Appear with Cleric Who Praised Hitler’s ‘Qur’anically Correct’ Genocide of the Jews (Video)

***Masood was removed from ISNA program 8/19/26, 4-days after our report appeared**

Renowned Pakistani “scholar” Tariq Masood, touted as an “anti-extremist” & slated to appear (but just removed 8/19) at the 9/3-7 ISNA Conference in Detroit with El-Sayed, made these remarks uploaded to YouTube April 2024:

“What Hitler said, the Qur’an had said 1400 years ago. Hitler did not do this by looking at the Qur’an, he did this by observing ...But Qur’an (Qur’an [5:64](#); [17:4](#)) says that there is no such evil and corruption in this world (as that caused by the Jews). Allah says that you (Jews) are the biggest enemy of the Muslims. (Qur’an [5:82](#)) ...But he [Hitler] used to say historical words. He knew that the world will say bad (things) about me later. That I have killed lakhs (1 lakh=100K) of Jews. He said that if I wanted, I would have killed all of them. I would not leave even one alive. But I am leaving some alive. So that when the world remembers me, that the Jews were **cruel**, then the world will know why I killed them. I am leaving some alive. They will not sit peacefully. **If Hitler was alive today, the world would have said that you (Hitler) were not a good person, but you did the right thing.**”

**

Hitler had a great affinity for Islam’s jihad & the martial qualities of Islam expressed as early as 1926 to the Indian Muslim polymath Inayat Khan, & later to his Nazi colleagues Albert Speer, Dr. Herman Neubacher, & Alexander Loehr. <https://rairfoundation.com/breaking-michigan-senate-candidate-abdul-el-sayed-appear/>

Late Grand Imam Tantawi Also Rationalized Hitler's "Appropriate" Condemnation & Treatment of the Jews

Tantawi's describes the "numerous penalties with which Allah inflicted punishment on the Children of Israel for their injustices and immorality in accordance with what has been mentioned in the Noble Qur'an." He enumerates six categories of such penalties/punishments, & their Qur'anic elaboration in the 2nd, 3rd, 4th, 5th, & 7th suras (in verses such as Q 7:167-168, 17:4-8, 5:60, 3:110-112, & also Q 3:75, 5:42, 5:64, 2:90, 4:51, 4:46, & 5:13):

"First: Dispersing and scattering them and sending them mighty ones who would make them suffer terribly until the Day of Judgement.

Second: Allah's warning and decree for corrupting the land twice.

Third: Forbidding them good things because of their aggression and violations.

Fourth: Allah's condemnation and punishment by reducing them to apes and pigs.

Fifth: They earned Allah's wrath and condemnation; He cursed them.

Sixth: They were stricken with disgrace and misery."

Adding to this litany the Jews' putative "boundless selfishness and greed," "arrogance and conceit" (per Q 3:75), and the "inextricable" Jewish Qur'anic traits of "isolation, tribal solidarity, and fanaticism," along with their purported "betrayal of the countries they live in," Tantawi rationalizes Adolph Hitler's "appropriate" condemnation and treatment of the Jews by repeating the Nazi dictator's conspiratorial claims in *Mein Kampf* about the Jews'

Conclusions

- **Mosques, including those in the U.S. continue to play their historical role as centers where Muslims are taught Islamic supremacism, & to disparage & ultimately wage jihad against non-Muslims to impose the Shari'a upon them**
- **This traditional ancient cum modern indoctrination—sanctioned by authoritative, institutional Islam, & widespread—has predictable negative consequences: burgeoning jihadism, Jew-hatred, & hostility toward Christians (& indeed all non-Muslims)**
- **This audience & all Americans must observe and document if local mosques are preaching jihadism, and or hatred of non-Muslims, share their findings with lay, religious, & political leaders, & possibly law enforcement, while demanding action including, at minimum, public social ostracism, & perhaps forfeiture of mosque tax exempt status, & potentially other legal measures**

May Allah crush the hands of oppressors, killers and murderers who have killed thousands of children, women and men in Gaza. How sad and pathetic is the state of hypocrisy of world leaders who are unwilling/incapable to exert their power to stop the massacre and genocide unfolding for the last 10 days. Human blood is very sacred in the sight of Allah and He is certainly watching all the actions.

"Do not ever think that Allah is unaware of what the oppressors are doing".

Perhaps unsurprisingly, ul-Haq, who trained at the [Darul Uloom](#), Karachi, Pakistan, proudly [identifies](#) as one of his chief mentors in Islamic Fiqh (jurisprudence) at that institution, the [jihadist ideologue](#), and "jurist," Taqi Usmani.

Tantawi's glosses on Qur'an 9:5 & 9:29

Gloss on Qur'an 9:5--“It has commanded the believers [Muslims] to use all legitimate means to terrorize their enemies. Then, at the same time, it has commanded them to release them if they repent, establish prayer, and pay zakat [i.e., become Muslims]...Allah the Exalted explained the ruling on those who persist in polytheism [paganism], which is to fight them and seize them...”

<https://www.altafsir.com/Tafasir.asp?tMadhNo=0&tTafsirNo=57&tSoraNo=9&tAyahNo=5&tDisplay=yes&Page=1&Size=1&LanguageId=1>

Gloss on Qur'an 9:29--“The intended meaning of His statement, ‘of those who were given the Scripture,’ is to distinguish them from the polytheists who worship idols in terms of ruling, because the ruling for the latter is to fight them until they submit to Islam, while the ruling for the People of the Scripture is fighting, or Islam, or the jizyah (Qur’anic poll tax). His statement, ‘until they pay the jizyah willingly while they are subdued,’ is an end to fighting. **That is, fight those of the People of the Book (Jews, Christians, Zoroastrians)**...those who do not believe in Allah or the Last Day, and do not forbid what Allah and His Messenger have forbidden...**until they pay the jizyah willingly and obediently... the humiliation is their commitment to the implementation of Allah’s rulings [the Sharia] upon them, and paying the jizyah, because that is humiliation...they do not take the true religion [Islam] as their religion. They deserve this humiliation in this world, but in the Hereafter, their punishment will be more severe and lasting...**”

Muhammad Sayyed Tantawi on Qur'an 1:7

Tantawi was one of the 10/11 modern sages whose commentary reiterated Muhammad's traditional understanding of Qur'an 1:7, stating:

*“Those who have incurred Allah’s anger are the Jews, and those who are misguided are the Christians. **This interpretation comes from Muhammad**, in a tradition narrated by Imam Ahmad (ibn Hanbal) in his Musnad and Ibn Habban (al-Busti) in his Sahih. **Some exegetes [commentators] say those who have incurred Allah’s anger [the Jews] knew the truth but departed from it out of stubbornness and denial.** As for the misguided [the Christians], they are those who lack knowledge and remain in error without finding the straight path.”*

Sunni Islam's Vatican, Al-Azhar University Hails 12-Year-Old "Prodigy" Who Recites Qur'anic Condemnation of Jews and Christians (Qur'an 1:7) at Al-Azhar Mosque During Ramadan, 2026

Al-Azhar posted the following on March 18, 2026:

"12 years old...Surah Al-Fatiha recited by a prodigy from the prodigies of Al-Azhar's Quranic reciters, Omar Ali, a first-year preparatory student at the Azharite school, the rising star in the sky of Egyptian recitation, and the youngest to lead the worshippers in prayer at Al-Azhar Mosque during the month of Ramadan."

- Islam's prophet Muhammad, in a tradition, explained to one of his early followers that this brief opening sura (chapter) of the Qur'an (sura "Al-Fatiha," "The Opening," chapter 1/sura 1, [verses [1-2-3-4-5-6-7](#)]) was the *"greatest sura in the Qur'an."*
- Another canonical tradition of Muhammad instructs Muslims, *"It Is Obligatory to Recite Al-Fatiha in Every Rak'ah"*; There are 17 Rak'at in the 5 required daily prayer sessions
- Muslims are directed on their appropriate, righteous path, i.e., Islam, by "merciful Allah", as set forth in the fatiha's initial 6 verses but they are cautioned, sternly, at concluding verse [7](#): *"The path of those upon whom You have bestowed favor [Islam], not of those who have evoked [Your] anger or of those who are astray."*
- Muhammad, in yet another **canonical tradition** clarified plainly, for Muslims, it is the Jews who evoked Allah's anger, and the Christians who went astray. This clarifying interpretation is reinforced with rare exceptions by over **thirteen centuries** of authoritative classical and modern Qur'anic commentaries which have glossed verse 1:7.

Examples of Hateful Islamic Themes About Christians Sermonized Across the U.S. Since Oct. 7, 2023

The anti-Christian sentiments preached at the Islamic Center of Rhode Island echo hateful Islamic themes about Christians [sermonized across the U.S.](#) since Oct. 7, 2023, including:

- On Dec. 8, 2023, Imam Hanif Fouse of Philadelphia maintained Christians were complicit with, and supportive of the Jews, “with whom Allah is angry (Qur’an 1:7) because they killed the prophets (Qur’an 2:61, 3:112). The Christians insult Allah because they claim he has a son,” (Qur’an 19:[88-92](#)) he emphasized.
- Prayers to Allah “to annihilate” the Christians were recited at the Northwest Indiana Islamic Center on Dec. 8, 2023, and June 21, 2024, at the Islamic Center of Lafayette, Louisiana.
- In Fort Lauderdale, FL, on April 19, 2024, an Islamic scholar intoned that while “the Jews orchestrated everything against the Muslims” throughout history, it was the Christians “who executed” those schemes.
- California Pakistani Islamic scholar Qazi Fazlullah, in a video posted on YouTube on Oct. 25, 2024, invoked Quran [5:51](#), repeating, “Oh believers, do not take the Jews and Christians as allies.” He added: “Make them not protectors, or friends, secret keepers, depending on them, or trusting them,” because (citing Qur’an [5:51](#)) “they are the allies of one another.” Imam Fazlullah concluded that befriending them “goes against Islam and Muslims,” and is “not allowed.”
